A Message From Our Chairperson

Jamaica Basic Schools Foundation Gala Dinner & Awards Night

Dear Friends and Supporters,

It is my absolute pleasure to welcome you to the Jamaica Basic Schools Foundation's Gala Dinner and Awards a night of elegance, celebration, and purpose.

For over 30 years, our foundation has been committed to improving the lives of young children in Jamaica by supporting basic schools through infrastructure repairs, educational resources, and essential equipment. Now, as we embark on a bold new chapter in our journey, we invite you to stand with us once again.

This year's Gala is more than just a night out it's the launch of our new 5-year development plan, focused on transforming learning environments across Jamaica. Every ticket purchased and every donation made will go directly toward building and upgrading school infrastructure that will empower future generations.

We've planned an unforgettable evening for you featuring top recording artists, celebrity guests, and a high-end production team with years of experience creating spectacular award-winning events. Expect great music, heartfelt moments, and a vibrant celebration of culture and community.

We would be honoured to have you join us. Together, we can continue to build brighter futures for Jamaica's children.

With warm regards,

Josephine Williams
